ROBUST BUILT FOR OUTDOORS

YEARS OF INNOVATION FOR COOLING PERFECTION

This ultimate powered cool box produces seriously impressive cooling, allowing you to bring more of the food and drinks you love wherever you go. Its robust design is built for tough outdoor use, while a convenient mobile app puts the control of your Dometic CFX3 at your fingertips. Dual zone storage compartments have independent temperature control which enables simultaneous cooling and freezing.

Take control of outdoor adventures like never before with the Dometic CFX3 75DZ. Enjoy fresher food at your fingertips thanks to Dometic's market leading VMSO3 variable speed compressor with optimised software for better cooling, freezing and power consumption. The CFX3 features durable fender frames that protect the edges of the cool box, making it ideal for rugged trips. Strong, spring-loaded aluminium handles make it easy to lift and carry. Set the cooling temperature of your CFX3 on the TFT display screen and pack all your favourite foods. Download the CFX3 app and roam free from worry. Once your CFX3 is connected through your phone, you can set the ideal temperature, and get a detailed history of energy and temperatures. We also offer a range of accessories to get the most out of your cool box, including a durable insulated protective cover.
