

Belaire Range of Mobile Air-Conditioners T3500

HHOUGHTON

Introduction:

Powerful performance for larger motorhomes, caravans and boats. Features a low plenum that suits free discharge or ducted air distribution systems.

Features:

1. Low plenum with an elegant design that complements modern interiors. Features easy to read LED display showing temperature and mode.
2. Attractive streamlined canopy design to perfectly integrate with modern caravan, motorhome and boat design carriage return.
3. Remote control with cooling, heating, dehumidifying, dry, sleep and timing functions.
4. Three speed ultra-quiet, high efficiency indoor fan. The large outdoor axial fan draws air to exchange heat, leading to highly efficient, powerful performance.
5. Patented technology provides thermal protection for the evaporator.
6. Spiral retractable duct allows easy installation without cutting. Insulation eradicates condensation while optimizing power and performance.
7. Excellent reverse cycle performance allows the T3500 to operate in temperatures as low as -5°C and up to +50°C. Features intelligent defrosting technology.

Specification:

Power supply	220-240V/50Hz	Maximum input power	1500W
Refrigerant charged	R410A/590g	Maximum current	6.5 A
Cooling capacity	3500W (11,935 BTU)	Maximum air flow	318 CFM
Heating capacity	3500W	Installed Weight	35.5+2.8 (kg)
Power input cooling	1300W	Installation opening (mm)	360 x 360 (Optional adapter required for 400 x400)
Power input heating	1200W		
Current cooling	5.6 A	Outdoor unit dimension H x W x L (mm)	340 x 680 x 998
Current heating	5.2 A	Plenum unit dimension H x W x L (mm)	43 x 536 x 557
